### GENERAL RELEASE FORM for Teachers

#### Introduction

The Danielson Group seeks to advance the understanding and application of Charlotte Danielson's *Framework For Teaching (FFT)* in the educational community, connect educators' understanding of the FFT to other areas of knowledge, and enhance the professional practices of all educators, so as to positively impact student learning. In the upcoming weeks, a small camera crew will record an interview, training, classroom lesson, or other activity. The video recordings, photographs, and class work will be used by the Danielson Group, and those authorized by it, for the professional development of teachers, school leaders, and educators, and for related teacher assessment, training, and research purposes.

#### Privacy

These recordings made in the classroom are intended for educational, professional development, and research purposes. I understand that these recordings may be deemed educational recordings under the Family Educational Privacy Rights Act, and I consent to their release and use as set forth herein, and that the videotapes and photographs will not be disclosed to or viewed by anyone else unless such disclosure is permissible under applicable laws.

#### Agreement

I give permission to the Danielson Group, and those authorized by it, to videotape, photograph, and record in any medium my likeness, voice, and work for the purpose of research, assessment, training, and professional development of teachers, principals, and education professionals, in connection with the promotion of excellent teaching.

I grant the Danielson Group, and those authorized by it, the exclusive rights throughout the world and in perpetuity, to use my likeness in these recordings (using the Internet and other media) for educational, research, commercial, and promotional purposes pertaining to teacher professional development and related activities, in any and all media now or hereafter known, including but not limited to the Internet.

I understand that the Danielson Group, and those authorized by it, will have the right to edit, copyright, display, distribute, and otherwise use the footage, as described above, without prior inspection or approval, and I release and will hold harmless the Danielson Group, its officers, employees, and agents from all claims, demands, and liability of any kind stemming from the distribution of these teacher professional development programs. I agree that the recordings

discussed above, as well as the programs produced from these recordings, are the property of Teachscape.

I understand that the Danielson Group video case studies produced from these recordings, and any photographs, pictures, web pages, sound and/or voice recordings, and the copyrights therein, are the property of the Danielson Group.

With thanks on behalf of the Danielson Group,

Charlotte Danielson
